AME Annual Conference – Dallas, October 24th – 28th

THE **AME 2016 INTERNATIONAL CONFERENCE** TO BE HELD **OCTOBER 24-28** IN **DALLAS, TX**, IS THE LARGEST LEAN CONFERENCE IN THE WORLD.

Nine keynote speakers, **54** presentations, **40** tours, **12** special interest sessions and **40** workshops provide you with a transformational learning experience like no other. Learning from the insights of world-class, highly successful practitioners who have been there and done that, you are provided with a trusted source of knowledge that you can rely on to confidently make the changes needed to accelerate growth. The leaner processes are, and the more engaged people are, the more productive you become and the greater your bottom-line success will be.
